United States District Judge  
United States District Court  
Southern District of New York  
500 Pearl Street, Room 1640  
New York, NY 10007**Re: United States v. Noramie Jasmin**  
**No. 13 Cr. 297 (CM)**

Dear Judge McMahon:

I received a call from Dr. Choudhri a short while ago. He reports that the surgery took longer than originally anticipated due to the existence of some scar tissue, but proceeded uneventfully. Due to the late hour of conclusion of the surgery and after some safety check regarding Ms. Jasmin's ability to ambulate, she may be cleared for discharge late in the day today or more likely tomorrow.

Dr. Choudhri would like to monitor the patient until February 19<sup>th</sup>, during which time other post-op follow up will be completed. Dr. Choudhri described post-op follow up as bare bones and could possibly advance the post-op examination to February 12<sup>th</sup>, but would prefer not to be required to do so. Should Your Honor wish to speak with Dr. Choudhri, defendant consents to ex-parte communication and the doctor has provided me with his cell phone number, [REDACTED]

Should Your Honor require a joint call, this afternoon or tomorrow morning, kindly advise when I am to be available.

Thank you for your courtesies.

Respectfully submitted,

Benjamin Ostrer
